

# CCRHA Newsletter

Newsletter Date: June 24, 2010

## **Attention:**

There is a change to the Ranch Reining Class. This class was intended for the beginner reiners and as such the BOD has instituted a rule that allows for nonprofessionals only in this class. The BOD has also allowed for the competitor in this class to ride **ONE** or **TWO** handed at *anytime* throughout the pattern. We hope this does not cause any inconvenience and further clarifies the purpose of this class.
