

*To rein a horse is not only to guide him, but also to direct his every movement.
The best reined horse should be willingly guided through a set of complex maneuvers,
with little or no apparent resistance.*

Horse 3 – Head, Heart & Hooves

Western Agricultural Centre of Excellence
Brandon, Manitoba
April 16 - 18

The CCRHA is pleased to be participating in this year's Horse 3 event at the Keystone Centre. This is the Keystone's second year hosting this unique multidisciplinary educational event. Spectators will be presented with a host of different equestrian performance disciplines as well as numerous aspects of equestrian care and several entertaining and competitive events. A thorough description of the event can be found at <http://www.keystonecentre.com/keystonedetail.asp?id=40> .

Reining will be front and centre with Guy Robertson providing a clinic and demonstration. His demonstration was well received last year and it is our hope that this year's efforts will continue to promote our discipline.

The CCRHA has secured a booth to display details about our association and its activity. Karen Black is preparing promotional material which will include:

- a list of CCRHA Reining Trainers and their contact information
- a list of CCRHA Reining Breeders and their contact information
- a Classified section including horses, equipment and services for sale
- our show schedule
- the Board Of Directors contact list

All of our members are encouraged to contact Karen with any items that they might wish to have included in the classified section of the promotional material. Breeders and trainers are encouraged to submit their business cards and promotional brochures.

If calling for room reservations at the Canad Inn in Brandon, be sure to specify that you would like a room that has been allocated for Horse 3, otherwise they may tell you that there is no availability.

It would be great to see a generous turnout from our membership in order to support the Keystone Centre, one of our valued sponsors. Come on out and cheer Guy on as he promotes our Sport!
